SKILLS

- **Languages**: C, Python, C++, JavaScript, Java
- **Frameworks**: HTML and CSS, React JS
- **Tools/Platforms**: MySQL, Excel, Jupyter Notebook, VS Code
- **CS Fundamentals:** Data Structures and Algorithms, DBMS, Object-Oriented Programming
- **Soft Skills**: Solving, Problem Team Player,Adaptability, Leadership

PROJECTS

DSA Visualizer | GitHub July 25

- Developed an interactive web app to visualize array and hash map operations (insert, search, delete) using JavaScript and DOM manipulation.
- Implemented core DSA algorithms like linear search with step-by-step animations using set Timeout to simulate loop execution and comparisons.
- Designed a clean, responsive UI that provides real-time visual feedback to enhance understanding of algorithm flow and time complexity.
- **Tech Stacks:** HTML, CSS, Java Script

Krishi Vaani | GitHub Aug 24

- Built a farmer empowerment platform using React.js + Firebase enabling direct crop sales, eliminating middlemen and increasing farmer profits by 30%.
- Integrated Twilio SMS API to send real-time weather alerts and market prices to 500+ farmers in low-connectivity areas of Anuppur District.
- Designed bilingual (Hindi/English) UI with Firebase backend, processing 1,200+ crop listings within 3 months of launch. •
  Tech Stacks: Python, React JS, Firebase, Twilio

CERTIFICATES

Java Programming - NPTEL | Certificate Jan 25
Successfully completed a comprehensive course on Java fundamentals, object-oriented programming and problem-solving techniques.

DSA with C++ - Neo Colab Tech Pvt.Ltd | Certificate Mar 24
Currently pursuing in-depth training in Data Structures and Algorithms using C++ with a focus on competitive coding and problemsolving.

TRAINING

byteXL – PEP Program | DSA Module Jun 25 – Jul 25

- Secured A+ Grade in the DSA Module.
- Improved problem-solving skills through hands-on coding exercises.
- Gained strong understanding of time complexity, recursion, arrays, linked lists, and searching/sorting algorithms.

ACHIEVEMENTS

Official Media Team – Lovely Professional University Oct 24
Contributed to organizing and managing large-scale official university events; handled anchoring, backstage flow, and guest management.

Student Mentor – Placement Cell Mar 24
Known for helping peers in coding and career guidance; appreciated for being approachable and solution-oriented

EDUCATION

Lovely Professional University Punjab India
Bachelor of Technology - Computer Science and Engineering; **CGPA: 7.2** Since August 2023

St. Joseph Mission School Anuppur, Madhya Pradesh
Intermediate; **Percentage: 64%** Apr'2021 – Mar'2023

St. Joseph Mission School Anuppur, MadhyaPradesh
Matriculation; **Percentage: 63%** Apr'2020 – Mar'2021
